

## Homage to Karabekian | Mixed Reality Artworks

Russell Pensyl

Boston MA

The works in this exhibition proposal completed between 2019 and 2023

Examples of designs for Mixed Reality artworks that use oil paintings as base marker images. These are experimental artworks that explore the admixture of traditional oil painting and mixed and augmented reality. These works were exhibited in September 2022 at the South Haven Center for the Arts, South Haven, MI, USA
